

BIG BEAR LAKE MUNICIPAL CODE

Ordinance 8.64.150

Illegal use of bins and containers

**A. It is unlawful for any person to deposit into any bin, container, or public bin any material other than solid waste.**

B. It is unlawful for any person to place solid waste in, or to otherwise use the bins or containers of another person, without the permission of that person.

C. It is unlawful for any person to deposit into any public bin, construction and demolition waste, bulky household items, construction material, crates, appliances, roofing, pipes, plumbing, metal products other than those associated with food storage or preservation, plastic of any kind or nature except those associated with food storage, preservation or packaging or commercial protective display or garment protection, paint and solvent cans, vehicle parts or vehicles, including motorcycles, bicycles, tires, batteries, or any designated hazardous material, tree stumps, dirt, concrete, asphalt, rock, gravel, household furniture, mattresses and uncrushed cardboard, unless otherwise provided in this chapter.

D. It is unlawful to place any solid waste in any bin, container or public bin that is not capable of remaining within the bin or container after deposit. It is a violation of this section to place, leave, deposit, or cause to be placed, left, or deposited any solid waste upon the ground around such bin or container, or within the enclosure that the bin is located.

E. It is unlawful for any person to place, leave, deposit, or cause to be placed, left, or deposited any solid waste in any public bin other than a public bin located at a Clean Bear Site. It is unlawful for any person to place, leave, deposit, or cause to be placed, left, or deposited in any public bin at a Clean Bear Site any solid waste that was not generated at a residential premises within the city of Big Bear Lake. Furthermore, such person using any public bin at a Clean Bear Site also must be a resident, whether transient, temporary, or permanent, of the city of Big Bear Lake. It is also unlawful for any private contractor or commercial business to place, leave, deposit, or cause to be placed, left, or deposited in any public bin any solid waste, regardless of the origin of such waste.

F. It is also unlawful for any person, business or representative thereof, to recommend, coerce, or instruct any other person, business or representative thereof to violate any provision of this chapter.
